

Simple model

Song starts with 'close', melody #1 :

close that you want to make me

youre not not you

but you know you want me

i want you

i love that i want to do you

i cant make me

its your love

i dont want you to be

i know what i want to say

you want to be

i want to say you are

but youre your love

i know you dont know

you want to make me do

you want you you love you

youre not it

i know you want to say yeah

i dont want you to be

Song starts with 'if', melody #1 :

if i dont do

i want it to be

i dont want to be

i want you

you want it all to be right

i want to make me

i know you know i know that you do

you want it are the way

i dont want to be you

you want it to be your love
i love you
you dont want to be you
you know you dont want you to be you
i know i know
i want to say
you want to make it
i dont want to make it
i

Song starts with 'all', melody #1 :

all
you know you dont do it that i want
i know that you are your love that you want it is true
youre not it
i dont want to say
you dont want to say
i love you
you want to me that
i want me that
i want to say
i want me like you do
you want to say
i want to be your love is love you
i love you
i dont want you to say
i dont want me to be
you can do you want to make it
i

Song starts with 'close', melody #2 :

close and a new york bells

and a minute of the stars
and i want you you want it is not it
i know that i know
but i know i dont want to see
i cant make it
i want you to be
i know you can do
i want it is the time
but i dont know you see
i want to go
you want it is not the way that we have
but im not it on
and the stars is in my heart
and i cant know i cant be
you can know

Song starts with 'if', melody #2 :

if i have you
you cant see the night
and the stars is the world with you
i cant see you
you know you see
i dont want you you do
and the look of the night
i know i cant see
you want to be you
but im gonna get to me
you can do you do you do
you dont want to see you
i know i dont have to do
its not it to do
i know that you do

i know i know you
i know that i know
but im

Song starts with 'all', melody #2 :

all the world
and i know i want to be
but i want to be you
i know you can do
i will make it
i know it is not you do
and if you know you know you do
its the night
and i want you to see
and i know you want it
i dont do you do me
i dont know you dont do
im not a time
and i cant see you
you know you know i want to be
you can see the one
i know you want you i want

Song starts with 'close', melody #3 :

close that you
i want to be the world
i dont want it to be wrong
that i know that you know to say
its a lot and always
if you want it
and i want to say
i dont want to say

i want to see the same
i cant help it
its not it
and i see you
you dont want you to be
and i know that i know
you know what you do you
its a fool
but you want to be the world
but you know you know you

Song starts with 'if', melody #3 :

if i have a dream
i want to make you feel
but you know i have you
i know you can say goodbye
i want to be
i want to be you
and you will see you know
and i cant see the night
and i know you know that
i know what i know i know
you want to be a place in your arms
and round of bugle
come out of the country
and you cant be the world
and i gotta say you feel for
and i know you were the world
but

Song starts with 'all', melody #3 :

all the country
im a lot of my heart
and i will be the same
i know that you do
you want you
you know you want to be
i want to make you do
you feel the way that i want to see the way
and i know that i can be you
i feel that i have you
i dont know what i have to say i want to say
you feel a friend
i want to make you
i know you know
i dont want to say
i know you know
i know

Song starts with 'close', melody #4 :

close
i want to be the world
and you was the way i know you could be the way
i can see you
i know you could be the same
i can be the way
but i can do
i know i want you
i know i want to be you
and i cant make you
you will be
you know you know
i dont want you to do

i cant be a heartbreaker
and i was the suns anxiety
i will be the world
in a heartbreaker
and i cant be you
and

Song starts with 'if', melody #4 :

if you feel
you feel a dream to me
i will be the night
you know it is the way
i can be a heartbreaker
i can say i know i love
you could see me
you feel a love
i dont know you dont know
i can be the world
i know i want to say
i dont need to be the world
i dont want to say it
i dont know you dont do you do
i can do it
i can say i dont know
i can do you do
its the

Song starts with 'all', melody #4 :

all i can say
i can be a new day
i know you can say you love you to say
you know that i want you

i know you can do
i know you could say it to the one of you
oh
i dont do it to be
but youre the way
i can do
its the beat
and the beat and suddenly in the country
i will see
and i cant be the night
and i know i know
i feel a love
you know you can be a heartbreaker fernando
and you

Song starts with 'close', melody #5 :

close to me earl
i want to make it in
i know it is it
its the way i call you
i know it doesnt matter
just to call you in the sand and stare
and the architect resides
just a lot of babylon in a mile in the interstate
im gonna call it
i know you know
what i really think that you want to call
i want to sail
i want you to show you
i need you
if you need me
god after the night closes

i want you to call me baby

Song starts with 'if', melody #5 :

if you call me

i know you call me

you know you think i can know

god about it

i want to make it

now is the earths population one way

you need to the one is growing it

let me fall

i want to sail

let me feel about you

i want you

i need you

you want to call you

i need me on you

i know i need to show you

god is growing a pickup

in the bomb

and i need me

god is the growing the popping

jc

Song starts with 'all', melody #5 :

all the night

jc and now i will be loved the funk soul

i know it is it

its a pillar

i need it to show you

if you want it is

i can do

if you know it
now i know i think that you
you want you
you want it on it
it doesnt matter it call it are it again now earl
im gonna grow
jc
jc earl repeat
jc
shamari
porque cosa
eddie and appeal
eddie ho yeah
i know you want to show you
the expression

Advanced model

Song starts with 'close', melody #1 :

close to you
and you made that
i wish you were here
i just have to know
ill be right
ill be the one for me
you were my faith to be
you know to love
you know i love you
is all that i want you so
baby i love you
baby i love you
i love you
all i need is to you
is that i have known
cause i have no time to go
i can dream and id be with you
yeah i love you
is all that i love

Song starts with 'if', melody #1 :

if you feel like you do
baby i love you
baby i love you
but i know you should do
baby i love you
let me be the one just reaching my mind
i never said you were for you
if you make me know i love you

is all that i need is time
i said i love you
i wish i could remember
i love you
is all that i need
i love you
i love you
is all that i need
ill be at your life
like you were alone i love

Song starts with 'all', melody #1 :

all i need is to you
i love you
baby i love you
but i know theres something to be
you meant to be
you left me and i want to be
you watching me when she left me with you
i could have still remember what to say
ill be right
i love you
i love you
is all that you need
just one i cant believe it
i love you
is all im feelin to
but if you should call
just like you know
that i love you
i love you

Song starts with 'close', melody #2 :

close to me

im here to keep the right

come on its dont be a show

her love is so far apart

but if we aint gonna make a good

let me explain now

and im in too deep

i dont see a better time

in a new york

i dont have to go through the sun is shining in my window

im a man thats what i could have

id rather have you in a plan

now im in a new york

so you gotta be a fool

you want to know what i mean

cause

Song starts with 'if', melody #2 :

if it snows

again

but now i know

just to see my way with you

i dont have to go

now im not too good

its like a man

a hand

i have a big time

and when she was just a man

with a rag doll

id change me in the time when we first is with you

im gonna make the same old part
theyre for love
everybody goes through
at night and the time is so good
so put a candle and she tried to be a show
when she would merengue

Song starts with 'all', melody #2 :

all
just to get to you
if its not easy or do me know
im gonna make a little
but i was a showgirl
but that was just a man
just a little piece and she used to be in the end
but a good time
when the night is so good
so i dont have to go
to be a show in a new york minute
here in a new york minute
still find my head go down to the sea
and all the broken heart
but i knew that im a man without a kid

Song starts with 'close', melody #3 :

close to me
this face is free
im in love im in love
im a man without a kid
but all i can say what i believe
i cant be with you

i dont know what im not
i know this time is as cold as bright
are all the things i could be
no matter where were never to be
all for me
tell me what to do
if you were humming to run
and if the fates allow
something can tell my arms to her eyes
they were shining there for you were in the

Song starts with 'if', melody #3 :

if you will
in the moon and the night
and i know we have to say
that i can do this
when i get all there for you
and who to go
dont you know we can say goodbye
no matter what they do
he was just a little girl
and i know ill love was all there
and all my life again
then ill be there
i know we can take it
or two night
in a game that you play
but they said you were to do the same
youre not a dream

Song starts with 'all', melody #3 :

all the things i could do
when you should come to me
you know we have a love
no matter what you should do to me
tell me baby what i believe
in love with me
you can take it all again tell me
who could be the one thing to do
and if the pain and your eyes
and you did
what you know i know ill have to go
to make a place to hide
things start to move me
a big star
cause i know that you love me
let me be the one

Song starts with 'close', melody #4 :

close
and if ever
oh the life there is for a love so far
and if i ever wanted
all i can do
and if ever comes a day
when you should know that youre the one thats got me down on my knees
so caught up in you
how can i wish you could feel
i want you so much
the day i am
save it for a day
we can fly away
when you should turn and walk away oh no

and i believe i am
but if you got so afraid back
just

Song starts with 'if', melody #4 :

if ever comes a day
when you should know that
i dont know how to do you have to do
and i know that its hard to get
and if i ever wanted
all i can do
and if ever comes a day
when you should feel
that i never knew
but im not so tough
the one that ive been there for you and me
and if ever comes a day
when you should see my world is done
i thought that love was a game
but i never did suspect a thing
and now its

Song starts with 'all', melody #4 :

all
the world is in
in my heart the way
i thought that you will know
that we could lose
theres something missing in my life
i was so lonely
and love so much
but its real and the feeling comes shining through

so caught up in you
and if ever got me down on my knees
so caught up in you
yeah
for the day
when id be so tough
when i get no kind of man that i am
and if you got to let it be apart
i thought that we could

Song starts with 'close', melody #5 :

close sail away to a big money
baby just a little bit
and i aint got a smile
to give a little more
from a boy a little
but you just have to say
that im a friend
a little more a little more a little more
we come to a new man
from a little more a little more
im telling you baby
the money
you just have to give it to the one of their lives
they just a money
and they dont have to be a shame
we come to
in a world

Song starts with 'if', melody #5 :

if that
im the only way

and if it all but i know
i just want to be a long time
and there you love a big man
a room that never laugh
hes a soul of a dream in a room
he saves what a little more
and if it just a little bit
but they dont know his way around
just a little bit
but they dont have to be a heart of a little more a man
to tell you how that you love me just a little bit
i just just a friend and his

Song starts with 'all', melody #5 :

all that mable
we know that the world
from a little more a man
and you just cant go on
im just a friend of a little more
from a child a little bit
and i know that a shame
they call em on
i just a friend of a little more
from a little more
but they dont have a laugh to hear
what i know
a room that
they call that we have no time to
but hes a flowers like a honey
a little more a little more
we can turn to the
